Thanks Angeles! I probably won't backfill until at least we get through legislative session in June. I don't see my role on Anaconda changing much until it is charging down one track or another...

Congratulations! I am glad you are stepping into this role. Are you anticipating backfilling your position? And is your role with Anaconda going to change?

EPA Region 9 colleagues,

As I step into this new role, I look forward to advancing our strong relationship with EPA. Thanks in advance for continuing to work with us on all the challenging matters ahead.

Best,

Greg

DCNR Employees -

I am pleased to announce that Greg Lovato will serve as DCNR's next Administrator of the Department of Environmental Protection (NDEP). Greg has been with NDEP for over 10 years and served as a key member of the NDEP leadership team since 2014. I am grateful to Greg for taking on this responsibility at an important time for the Department and as we enter the 2017 Legislative session. Greg's experience and leadership will be an immensely valuable part of our Department-wide leadership team in the months and years ahead.

Please join me in congratulating Greg and welcoming him on board as our new NDEP Administrator.
